

**Patient-Centered Medical Home
Quality Metrics Subcommittee
November 30, 2011, 1:00 PM
Meeting Agenda**

1. Roll call and review of [notes](#)
2. Finalize QM matrix
3. Discussion on Phases I and II. Do we know what we mean by the phases? Do we want a time line?
4. Benchmark discussion—do we wait for data from an initial period to set benchmarks or can we proceed meaningfully with current data.
5. Process for proceeding with HealthShare Montana on data elements
6. Next steps for QM subcommittee, or pause until more to be done.
